

RAAPO

Meeting Minutes for May 20, 2009

Carnival Update:

There were a few games that didn't do really well this year and it was suggested that they be removed and we add something new in their place. These games were Basketball and the Three Legged Race. It has also been suggested that storage of the carnival games be centralized,

It was also suggested that there be some changes made to the dunk tank. Suggestion are to add a little more security for the people that are in the tank as there were a couple injuries this year, also it was suggested to offer parents the chance to be in the tank.

Ticket sales went well it was very busy but seemed to have enough people behind the counter. It has been suggested that we possibly separate some of the tickets into groups of 10 pre-carnival to help with some of the back log.

Treasurers report: Steve Mullins:

Year end report is attached to email and in electronic file

Summer Picnic Planning:

The summer picnic has been scheduled; the picnic is for all families who will be attending RAA in the fall. This is a great time for students and parents to meet their teachers, and to catch up with friends from the summer break.

Date: August 15, 2009.

Place: Blue Lake Park

Time: 4pm to dusk

Discussion and some needs for the picnic are: We need a volunteer parent to head up the picnic. Does RAAPO want to provide the meat i.e. Hamburgers, Hot Dogs, and basic condiments as we have in the past? Does RAAPO want to use the potluck method for side dishes again or leave all side dishes to individual families?
