Who Loves to Weed?

School is around the corner and with the wonderful sprinkler system actively working and the sunny days we have plenty of weeds that have appeared. If you have 10 or 15 minutes to stop by school and pull a few weeds that would be great.

Random other little jobs are available too. Just email Ms. Arnold to make arrangements.

Thank You RAAPO Committee

A Special thank you to the RAA parent organization for your continued time and support of our students and teachers.

A big thanks to all who fundraised and help purchase our new reader board to be installed before the first day of school.
