Misc...

Discussed how to handle school requests to borrow money. Will look into creating a policy for loaning money and possibly get it into the bi-laws. Should have teacher or Ms. Arnold come and request money at the Raapo meeting. It would be a good idea to have invoices to track loans.

The board is working on a budget for expenditures and what is allocated. Need to ask Steve if the playground equipment is allocated already.

Next RAAPO meeting, February 11th.
