

## School Lunch Information

Beginning Sept. 7, 2006, hot school lunches will be delivered to our school daily from the Reynolds School District!

In order to simplify our record keeping, we ask that you *please purchase lunches in groups of 10*. Checks should be made payable to Reynolds Arthur Academy, with your child's name written in the "memo" area. Cash is also ok, although we will not have change on hand.

- 10 lunches= \$22.50; 20 lunches = \$45.00  
(all lunches include either white or chocolate milk)
- 10 "milk-only" tickets = \$5.00; 20 milks = \$10.00
- Tickets are punch cards that we will keep in the school office and can be used throughout the year.

If your family was eligible for **free or reduced lunch prices** last year, you will continue to be eligible for 30 school days this year. By then, you must complete a new application and return it to Nutrition Services (not us). They will determine eligibility and notify you. We encourage you to file an application, even if you are not sure of your eligibility.

Please remember that Free/Reduced lunch prices apply **ONLY** to full school lunch and that there is no reduced price for the purchase of single milks.

**Students wanting hot lunch or milk must order it each morning from their teacher.** We must email our daily order to the district at 8:40 a.m.
