Library Computer Room In The Plans

Woodburn Arthur Academy and WAAPO have officially declared a Library and Computer Room as their focused goal. It will be housed in the building closest to the parking lot next to the 5th grade room.

Funding grants are currently being applied for but the project will start ASAP. The project will be done in phases allowing small goals to be accomplished. The first phase is electrical.

We hope that skilled parents will step forward to give of their expertise. There are many opportunities. We will be needing hardware and lumber supplies if you are able to donate or work for an em-

ployer who may be willing to donate. We will need shelving, computer stations and tables built or purchased. Computers will be needed. Books will be needed. If possible a bathroom plumbed and built. This gives you a rough idea of where we're heading.

On the back of this newsletter is a sketch of the site. Project information will be posted on the board in the main room.

If there is any way that you can help please email WAAPO, talk to Mr. Hull or call Kymerlee Rhodes at 503-9827272.

Together we can do it!

CLASS WINS BOX TOP CONTEST!

The winning class for the October Box Tops collection contest is the 3rd Grade class!

Mr. B's class collected 29 pages of Box Tops.

Ms. Topley's class came in second with 23 pages.

Ms. Noonan's class was third with 11 pages.

Ms. Healy-Tuke's class turned in 9 pages.

And Ms. Brown's and Mr. Benassi's classes tied with 4 pages.

Mr. B's class will receive a treat and supplies for their classroom! Each month is another contest so keep those box tops coming!

Remember only ten box tops per paper and they need to show the expiration date.

Thank you everyone! Just for October we earned \$80! Great work!
