A Message from the WAAPO President

I can't believe this year is half over already! We've had a lot of great fundraisers this year and are getting started on lots of great projects! The MPR (Multi-Purpose Resource room) /Library is making steady progress. The money earned from the butter braid sales is dedicated to the MPR improvements, so we are able to do some of the things that we've only talked about before. We had a great response to the butter braid fundraiser, and several have asked when we can do it again (including myself), so be on the lookout for that in the spring.

We have a book fair scheduled during conferences in April. We will be raising money and earning books for the new library. We will have our teachers make up their wish lists again this year so you can purchase books for your child's classrooms as well. While you're waiting for your conference time you can

check it out, or send your kids over to browse while you meet with their teachers.

There are plenty of places we could still use your help. This MPR remodel has a lot of steps to it, and if you feel like you can help in any way, let us know. We are getting bids for the electrical, and have a few volunteers for some of the furniture, but if you like to build shelving or desks, or if your company can donate labor or resources, let us know! The school is a non-profit organization and all donations to it are tax deductible.

T-shirts will be back from the printer soon. We had a miscommunication about the order, but they are almost finished! Mr. Hull will bring them in as soon as they are ready.

Keep clipping those box tops! Every coupon is worth 10 cents, and they add up quickly. It doesn't seem like much, but it's money for

our school that comes from participating companies, and not from OUR pockets! Keep up the good work!

If you have any questions about how you can help, needs that the school may have, or about the upcoming meetings, check the bulletin board in the room, or send us an email! We are also on Facebook for those of you on that site as well. Our next meeting will be February 10 at 6:30pm. Until then,
