Library Computer Room Update

In case you haven't heard, Woodburn Arthur Academy and WAAPO have officially declared creating a Library and Computer Room as their focused goal. It will be housed in the building closest to the parking lot next to the 5th grade room.

Phase one is getting started with the volunteer

help of a parent who owns a general contracting business. His contribution will enable the completion of electrical needs.

Moving on to our next phase computer desks/tables of some kind. Shelving for books and tables with chairs. We need you! Are you a woodworker? Do

you have business connections that may help? Do you have information or ideas that may help?

If there is any way that you can help please email WAAPO, talk to Mr. Hull or call Kymerlee Rhodes at 503-982-7272.

BOX TOP WINNERS

Ms Brown's class won our November Box Tops contest with fifteen sheets! First grade came in second with thirteen!

BIG THANK YOU

A BIG THANK YOU to Mr. B and his 3rd graders for their help at the Dec 5th cleanup. There were about 6-7 of his students and a few parents that helped out. We accomplished all that was planned with the exception of the weeding, which was derailed by the completely frozen ground. We will tackle that in February at our next cleanup.

Thank you for all your hard work in collecting pennies and selling bread and cookie dough! Your extra effort has helped make both fundraisers a success.

Our penny drive is a lot of fun for students. The pennies placed in their own jar count but any silver gets subtracted.

FUNDRAISER SUCCESS

Students brought in silver to put in other classes penny jars. Congratulations Miss. Topley's Class for winning! In the end they all were winners by raising \$ 443.83 in change!

Our Butter Braids sale was amazing! Thank you to Kelly Grassman for taking this

fundraiser on. Thanks to all the parents who sorted and prepared orders to be delivered. Thanks to all the students and parents who took advantage of this opportunity. We made \$1,005 profit!

WOW! We are a powerful group when we work together!
