Dear Arthur Academy Parents,

Once again, the staff at Woodburn Arthur Academy is asking for your help:

**We still have considerably low enrollment numbers this school year. If we do not get more families to enroll in our school, we will be forced to let one of our classroom teachers go! This is a very serious situation, one in which we need your help to overcome!**

PLEASE spread the word to as many people as you can. We have brochures available to hand out to prospective parents, so please stop by or contact the office if you would like some sent home with your child.

As always, feel free to contact Mr. Hull or any of the teachers with other ideas regarding our gaining more students!

It is essential that we increase our enrollment immediately. Please help in any way you can.

Thank you,

Your Woodburn Arthur Academy Staff
