

Everybody Reads

- *Everybody Reads is an exciting summer school program that is being offered to all children who want to get a jump start for the next school year!*
- *Highly trained teachers will be implementing our research proven methods to dramatically improve your child's reading and math skills.*
- *Instruction of basic phonetic decoding skills enable young readers to develop a better understanding of the English language, which increases their confidence inside and outside any classroom!*
- *The math curriculum is Connecting Math Concepts. This curriculum gives a very broad base understanding of how numbers relate to each other.*
