WHAT IS SCRIP ??

The best school fundraiser out there!

WHY ??

Dollar for dollar you lose nothing
while the kids gain everything!

HOW ??

You trade your dollars for scrip dollars and
participating stores and restaurants supply the profit!

Gift cards and/or certificates for dozens of local merchants are available for purchase through a partnership with Arthur Academy and the Gresham Barlow Education Foundation Scrip Program. The great thing about this program is that you're simply spending money that you would otherwise already be spending. You'll just make your purchase with a gift card rather than cash. Profits from scrip sales go directly back to schools. Sixty percent of profits from the sale of scrip go directly back to Arthur Academy. The Gresham Barlow Education Foundation uses the remaining amount to cover the costs associated with running the scrip program and to fund school grants.

HOW DO I ORDER ??

An order form is on the reverse side of this paper.

Simply fill out your order form.

Attach your check made payable to GBEF.

Leave your order at Arthur Academy prior to the end of the school day on Monday.

**Place your order by Monday afternoon
and it will be returned to the school on Friday morning.**

Please call with any questions.
